Notes:

The number of minor electives that need to be taken will depend on the requirements of the Minor program. Please review Minor requirements carefully to determine how many courses are required to complete the Minor.

Junior year is a good time to begin completing the internship requirement; the process of finding and applying to an internship may take some time, so allowing as much time as possible for that search is a good idea.

The ENGL Portfolio Review should be completed sometime within the student's senior year.
